Experience

Tech Zone Academy / Teacher & Helper

Owner: Eva Korkidas

2017-2018

TechZone Academy was a small business aimed at teaching people of all ages how to construct, program and fly drones in an engaging environment. My role was to help organise lesson structures and help teach lessons. This opportunity allowed me to generate skills of planning & problem solving which in term has assisted me in my high school career and personal projects.

McDonald's - Casual Crew / Back Area Worker

July 2022 - December 2022, Sans Souci

During my time as an employee at McDonald's I was granted the opportunity to greatly enhance my skills of communication, teamwork & problem solving. Being a back area worker I was continuously greeted with a hardworking & time pressured environment, which allowed me the perfect chance to develop these skills.
